**Fundraising information and request**

-----

Welcome to Capistrano Valley Cougar Track and Field. Your son/daughter has earned the privilege of being a participant in this program. Your athlete will receive many benefits and enjoy some responsibilities in representing our school and program. CUSD provides financial assistance for invitationals, and 4 coaches. However, the primary source of financial support must come from you the families benefitting from and contributing to the program. Your involvement and voluntary financial donations are crucial to our success.

Our overall program funding for this season is \$30,000. With the number of athletes we have in the program , if spread evenly, the average voluntary donation would be \$150 We know some of you will not be able to give as much and some may be able to give more, no one is required to give anything ; however any type of voluntary donation will help contribute to the success of the program,

- Here is a basic breakdown of where the money goes and why we need it.
- 6 Assistant Coaches \$13,500. (With over 200 athletes and many technical events we need several assistant coaches beyond the 4 provided by CUSD.
  - Equipment—\$7,500 (this includes, hurdles, shots and discs, starting blocs training and safety equipment, watches and timing devices and poles for vaulting)
  - T-shirts- \$2,500 (we provide one for each athlete to be worn at meets)
  - uniforms for newcomers to borrow \$5,000
